

ALL DRESSED UP & READY TO GROW

In the Levy Group of Companies, agriculture is in our roots. Our founder, Ed Levy Sr., was born and raised on a farm and instilled the importance of hard work, high values, and an unwavering commitment to quality into our culture. This ongoing tradition and his knack for innovation drove him to create a new generation of products designed specifically for the agricultural field – Plant Tuff®.

Our core values focus on developing products that solve problems, benefitting the environment, and contributing to the success of our customers. Plant Tuff agricultural products continue this heritage, providing Solutions for Your Environment.

Consider how Plant Tuff positively impacts your crops and environment:

- PROMOTES ENVIRONMENTAL SUSTAINABILITY
- MAXIMIZES THE UTILIZATION OF FERTILIZERS
- FOSTERS A HEALTHY YIELD IMPROVEMENT
- HELPS TO MITIGATE PLANT STRESS AND IMPROVES A PLANT'S RESISTANCE TO DROUGHT, DISEASE, AND INSECTS
- CONSERVES NATURAL RESOURCES

Cut from the cloth of farmers, Ed Levy Sr. knew happy plants help to make happy people. Since 1918, we have been tailoring our solutions to make crops stronger, more abundant, and All Dressed Up and Ready to Grow.
