

NO TWO ARE ALIKE

No two snow crystals are exactly alike. The same is true for the Pure Michigan Stone from Burroughs Materials and Specification Stone Products quarries. Our products are purely unique, with each stone offering a different color palette, natural nuances, size, and cut.

- VARIETY OF BLUE, GRAY, AND TAN HUES WITHIN THE NATURAL EARTH COLOR SPECTRUM
- HAND-PICKED STONE SELECTION WITH THE COLORS AND SIZES YOU WANT
- OUTPERFORMS MANUFACTURED STONE PRODUCTS, A GREENER ALTERNATIVE TO MAN-MADE MATERIALS
- VAST QUARRY RESERVES TO GUARANTEE PRODUCT AVAILABILITY

An intricate pathway that winds through a garden. A focal point of a house façade. A distinctive edge of a landscape design. When you want to showcase Pure Michigan Stone in any application, look to the quarries in the Levy Group of Companies for the products that will give you a flurry of business activity.
